Simplex:

VHF: 147.540

UHF: 445.975

<p>Next Meeting: July 26, 2006 1930 EDT</p>

President's Rumbblings

Hi All,

The July 4th parade and fireworks went very well. Thank you to all who gave of their time to be there and help out! After the 4th radio activity may appear to slow down a bit. But looks can be deceiving. We have a couple of important things on the horizon. First, we are very near to having a completed tower to put antennas on. The tower is in place and appears to be wired up. The area around the base needs some work tidying up but soon we will be called on to get our equipment installed. We need to begin discussing what antennas we will be installing, and preparing them for installation. That will include cleaning, assembling and testing the antennas. The cables for the antennas and the rotor will need to be checked out, cleaned, tested, and in some cases, fabricated. That's a lot to do!

The effort to get the club shack up and running is made more important with approach of our second club event. August is Maryland QSO Party time!! It would be great to get the club back in the running for this event. We won this a few times, and it would be great to do it again. It will take some effort but there is still time! Mark your calendars August 12 & 13! We'll need operators and rovers! You can check out the details at <http://www.w3cwc.org/funcontest.htm>.

July's meeting will have a guest speaker, Chris Lewis from the Department of The Interior. He has had some personal and professional experiences with the aftermath of Katrina. He was involved as part of his job and has family living in one of the hardest hit areas. He has some "observations of amateur Radio's significant support during and after Katrina". He addressed the MARC last meeting and they found it most interesting. Please plan to attend!

I'll end these rumbblings with the same question I posed last month (I didn't get any answers yet!☺). I'd like to know, what about Amateur Radio is of interest to you? What about Amateur Radio can the Laurel Amateur Radio Club do that would peek your interest?? I do want to make the club and its activities interesting to all club members.

See you on the 26th!

73,
Kevin WV3D
Kevinc123@yahoo.com

Laurel VEC is number 3!

The Laurel VEC is the third largest Volunteer Examiner Coordinator for 2005. Figures just released by the Federal Communications Commission show that LARC VEC has overtaken WCARS VEC for the number 3 spot. LARC is ahead by 27 applicants tested in 2005.

Here are the figures supplied by the FCC:

Coordinator Name	Applicants Tested
ARRL/VEC	15,666
W5YI-VEC	5,622
Laurel AR Club, Inc.	966
W. Carolina AR Soc/VEC, Inc.	939
Central America VEC Inc	464
Sandarc-Vec	418
W4VEC	364
Greater LA AR Group	362
Anchorage AR Club	228
Sunnyvale VEC ARC Inc	224
The Milwaukee RA Club, Inc.	190
Golden Empire AR Society	24
MO-KAN VE Coordinator	15
Jefferson AR Club	6

Thanks to all the Team Leaders and Volunteer Examiners who worked so hard to bring LARC VEC to the number three spot for 2005.

73,
Diane AA3OF

Editor's Note: Diane AA3OF, Chair of the Laurel VEC, has put in a large effort and is to be congratulated for this achievement. We are proud of Diane and that we are one of only 2 VEC's that do not charge for exams. Well done, Diane!

The Foundation for Amateur Radio Announces
